PREQUALIFICATION OF BIDDERS. Proposals requiring prequalification of bidders will be issued only to those contractors who are qualified with the Department of Transportation. Prequalification forms may be secured from the Engineer of Construction, Administration Building, 2300 South Dirksen Parkway, Springfield, Illinois 62764.

PLANS AND PROPOSALS. Unless otherwise noted, plans and proposals may be obtained at the office of the local agency advertising for bids. The plans and proposals are each a call for bids containing all requirements governing the letting and performance of the particular contract including but not limited to any applicable requirements for the payment of prevailing rates of wages for labor are required by law. Any questions regarding individual plans and proposals should be directed to the local agency advertising for bids or the appropriate district office of local roads and streets.

PROPOSALS "NOT FOR BIDDING". Contract proposals marked "Not for Bidding" may be issued to companies furnishing materials and equipment to contractors.

NONDISCRIMINATION REQUIREMENTS. All bidders are hereby notified that the counties and municipalities having work, or procurement of materials advertised in the bulletin are required to affirmatively insure that the contract, entered into pursuant to this advertisement, will be awarded to the lowest responsible bidder without discrimination on the grounds of race, color, sex or national origin.

RESPONSIBLE BIDDER REQUIREMENTS. All bidders are hereby notified that any proposal requiring work to be performed by a contractor requires the prime and or subcontractors to participate in an approved training program UNLESS FEDERAL FUNDS are involved. All bidders must complete BLR12325 (if required) and return with the bidders' proposals. If BLR12325 is not completed, the bid will not be read.
