If you have any questions please feel free to contact Ryan Sheley at 217-782-7806.

Special Notice to Contractors

Please contact Ryan Sheley at (217) 782-7806 or ryan.sheley@illinois.gov if you have any questions.

Special notice to bidders

Please discontinue faxing your Affidavit of Availability with your Request for Authorization to Bid/or Not For Bid Status request. We are required to use only the Original Affidavit of Availability to determine a contractor's authorization to bid. This document has a notarized signature and we must have the original signature prior to processing your request. Any questions please contact Ryan Sheley at (217) 782-7806 or ryan.sheley@illinois.gov.

SPECIAL NOTICE

TO ALL CONTRACTORS SUBMITTING BIDS

Please remember to staple your bids together so that it will be less likely that anything will get misplaced or lost.

Please turn in your proposal printed **one sided**. Double sided copies cause a problem with the print shop and processing.

Thank you for your cooperation

If you have any questions about these issues please call Ryan Sheley at (217) 782-7806 or send an e-mail to ryan.sheley@illinois.gov

1. Disadvantaged Business Enterprise (DBE) Utilization Plan

For proposals that contain a Special Provision for Disadvantaged Business Enterprise Participation **it is the responsibility of each bidder to submit a DBE Utilization Plan (Plan) (Form SBE 2026 and Form SBE 2025)** as required by the Special Provision. 2. Illinois Unified Certification Program DBE Directory

Pursuant to the requirements of the federal regulations, all state transportation agencies that receive federal-aid funds are required to implement a "one-stop" certification process for DBEs. As a result of this requirement, IDOT, together with the City of Chicago, CTA, Metra and Pace, has established the Illinois Unified Certification Program (IL UCP).

The IL UCP maintains a DBE Directory to provide a reference source to assist bidders/proposers in meeting DBE contract goals. The DBE Directory lists the DBE-certified firms in alphabetical order with their address, contact information and specialty of work. It is the responsibility of the prime contractor/consultant to make his/her own determination regarding the capability of a DBE firm. Only those firms certified as of the letting date/bid opening may be utilized in meeting a DBE contract goal.

3. Supportive Services Consultants

The Bureau of Small Business Enterprises administers the federal DBE program and ensures that external Equal Employment Opportunity, On-the-Job Training and Labor contract requirements are met. The goal of IDOT's Supportive Services program is to provide assistance that fosters opportunities for IDOT's DBE firms and minority and female individuals to participate in IDOT's transportation-related contracts.

The following consultants have contracts to provide supportive services assistance. These services are provided at no charge to IDOT's DBE firms, to those firms seeking IDOT DBE program certification, to IL UCP DBE-certified firms who have an IDOT contract(s), and to prime contractors doing business with IDOT.

If you have any questions or concerns regarding the supportive services assistance that IDOT offers, please contact the Bureau of Small Business Enterprises at (217) 785-5947.
