

Subject: Procurement Bulletin Registration

Illinois Public Act - 096-1444, states that “all businesses listed on the Department of Transportation Disadvantaged Business Enterprise Directory, the Department of Central Management Services Business Enterprise Program and Small Business Vendors Directory, and the Capital Development Board’s Directory of Certified Minority and Female Business Enterprises shall be furnished written instructions and information on how to register on each Procurement Bulletin maintained by the State.”

In compliance with this Act, the Illinois Department of Transportation (IDOT) is sending registration information to all firms listed in the Illinois Unified Certification Program Disadvantaged Business Enterprise Directory.

You may register for procurement opportunities at the websites below. Each website provides written instructions and information on how to register.
